WOODFORD HOUSE

New Uniform

Woodford House truly is a special school that is leading the way in education for girls. The entire Woodford House community is united by one shared purpose - to provide a world-class education that encourages individual excellence.

Having a shared purpose comes from a clear vision and strong identity. During 2017 we evolved our logo to help strengthen our identity and refreshed our uniform to better reflect the forward thinking culture of our school, and of our girls. The uniform was phased in over a two year period starting in 2018.

A Uniform Review Committee comprising representatives from across the Woodford House community including parents, students, Old Girls, staff and the Boards, worked together to design the new uniform. All factors such as the appearance, comfort, quality, quantity and cost were carefully considered throughout the process.

The Woodford House uniform is a badge of pride that fosters a sense of belonging and unity among students. We are delighted with the new uniform, and have been overwhelmed by the positive feedback from our community.

Frequently Asked Questions

Q. Can we mix the old and new uniform items together?

A. No. Girls may only wear all new or all old. This includes the Physical Education uniform.

Q. Do we have to use Wovina labels?

A. No but they are our preferred supplier.

Q. How will we distinguish a Year 13 student from a Year 12 student if they have the same uniform?

A. Year 13 will wear a special Year 13 or Prefect pocket. Year 11 and Year 12 students will wear the same senior tie. This is the only additional uniform item that will need to be purchased at Year 13 level.

Q. Will the Uniform Shop continue to offer a second-hand uniform service?

A. Yes, but only for the new style of uniform. Therefore, this service will not be available until 2019.

Q. Are you going to replace/introduce other uniform items in the future?

The Physical Education and sports uniform will be reviewed in 2018. We will notify the community when more information is available.
